***“You are at the time of the tractor beam!
There are those who will stand as anchors of the light,
and those who must beam light into the stream of
energy. For those, WHO ARE to BE the anchors...
the integration of the Violet Ray is a must as they
embrace the Golden Ray!”***

*Archangel Zadkiel with Ascended Masters El Moyra and St. Germaine
through Master Lady Kira Raa*

The quote on the previous page is from the first in-soulment you will be experiencing during this profound mystical journey. As you connect with this power-full message, invite your *Self to relax ever more* and YOU integrate the depth of the Navigating the Inner Matrix experience.

Discover the expansiveness of your Peace, Love and Joy as the Shanti, Bhakti, Ananda of your connection with the Mastery Presence of the Golden Ray. Say YES as you dive deeply within and NOTICE! Are you committed to the vibrational frequency of this journey? Are you comfortable to declare it out loud? Are you ready to trust the inner guidance, as you allow yourself to express in whatever manner serves you?

Stepping into the Golden Ray Integration is a BLESSING and HONORING of YOUR personal commitment to world service and light expansion. This is not a “course” to be taken lightly to “see what happens”. Navigating the Inner Matrix lovingly clears the debris that challenges your ability to stabilize and fully ignite your Mastery Presence into the active Law of Instantaneous Manifestation.

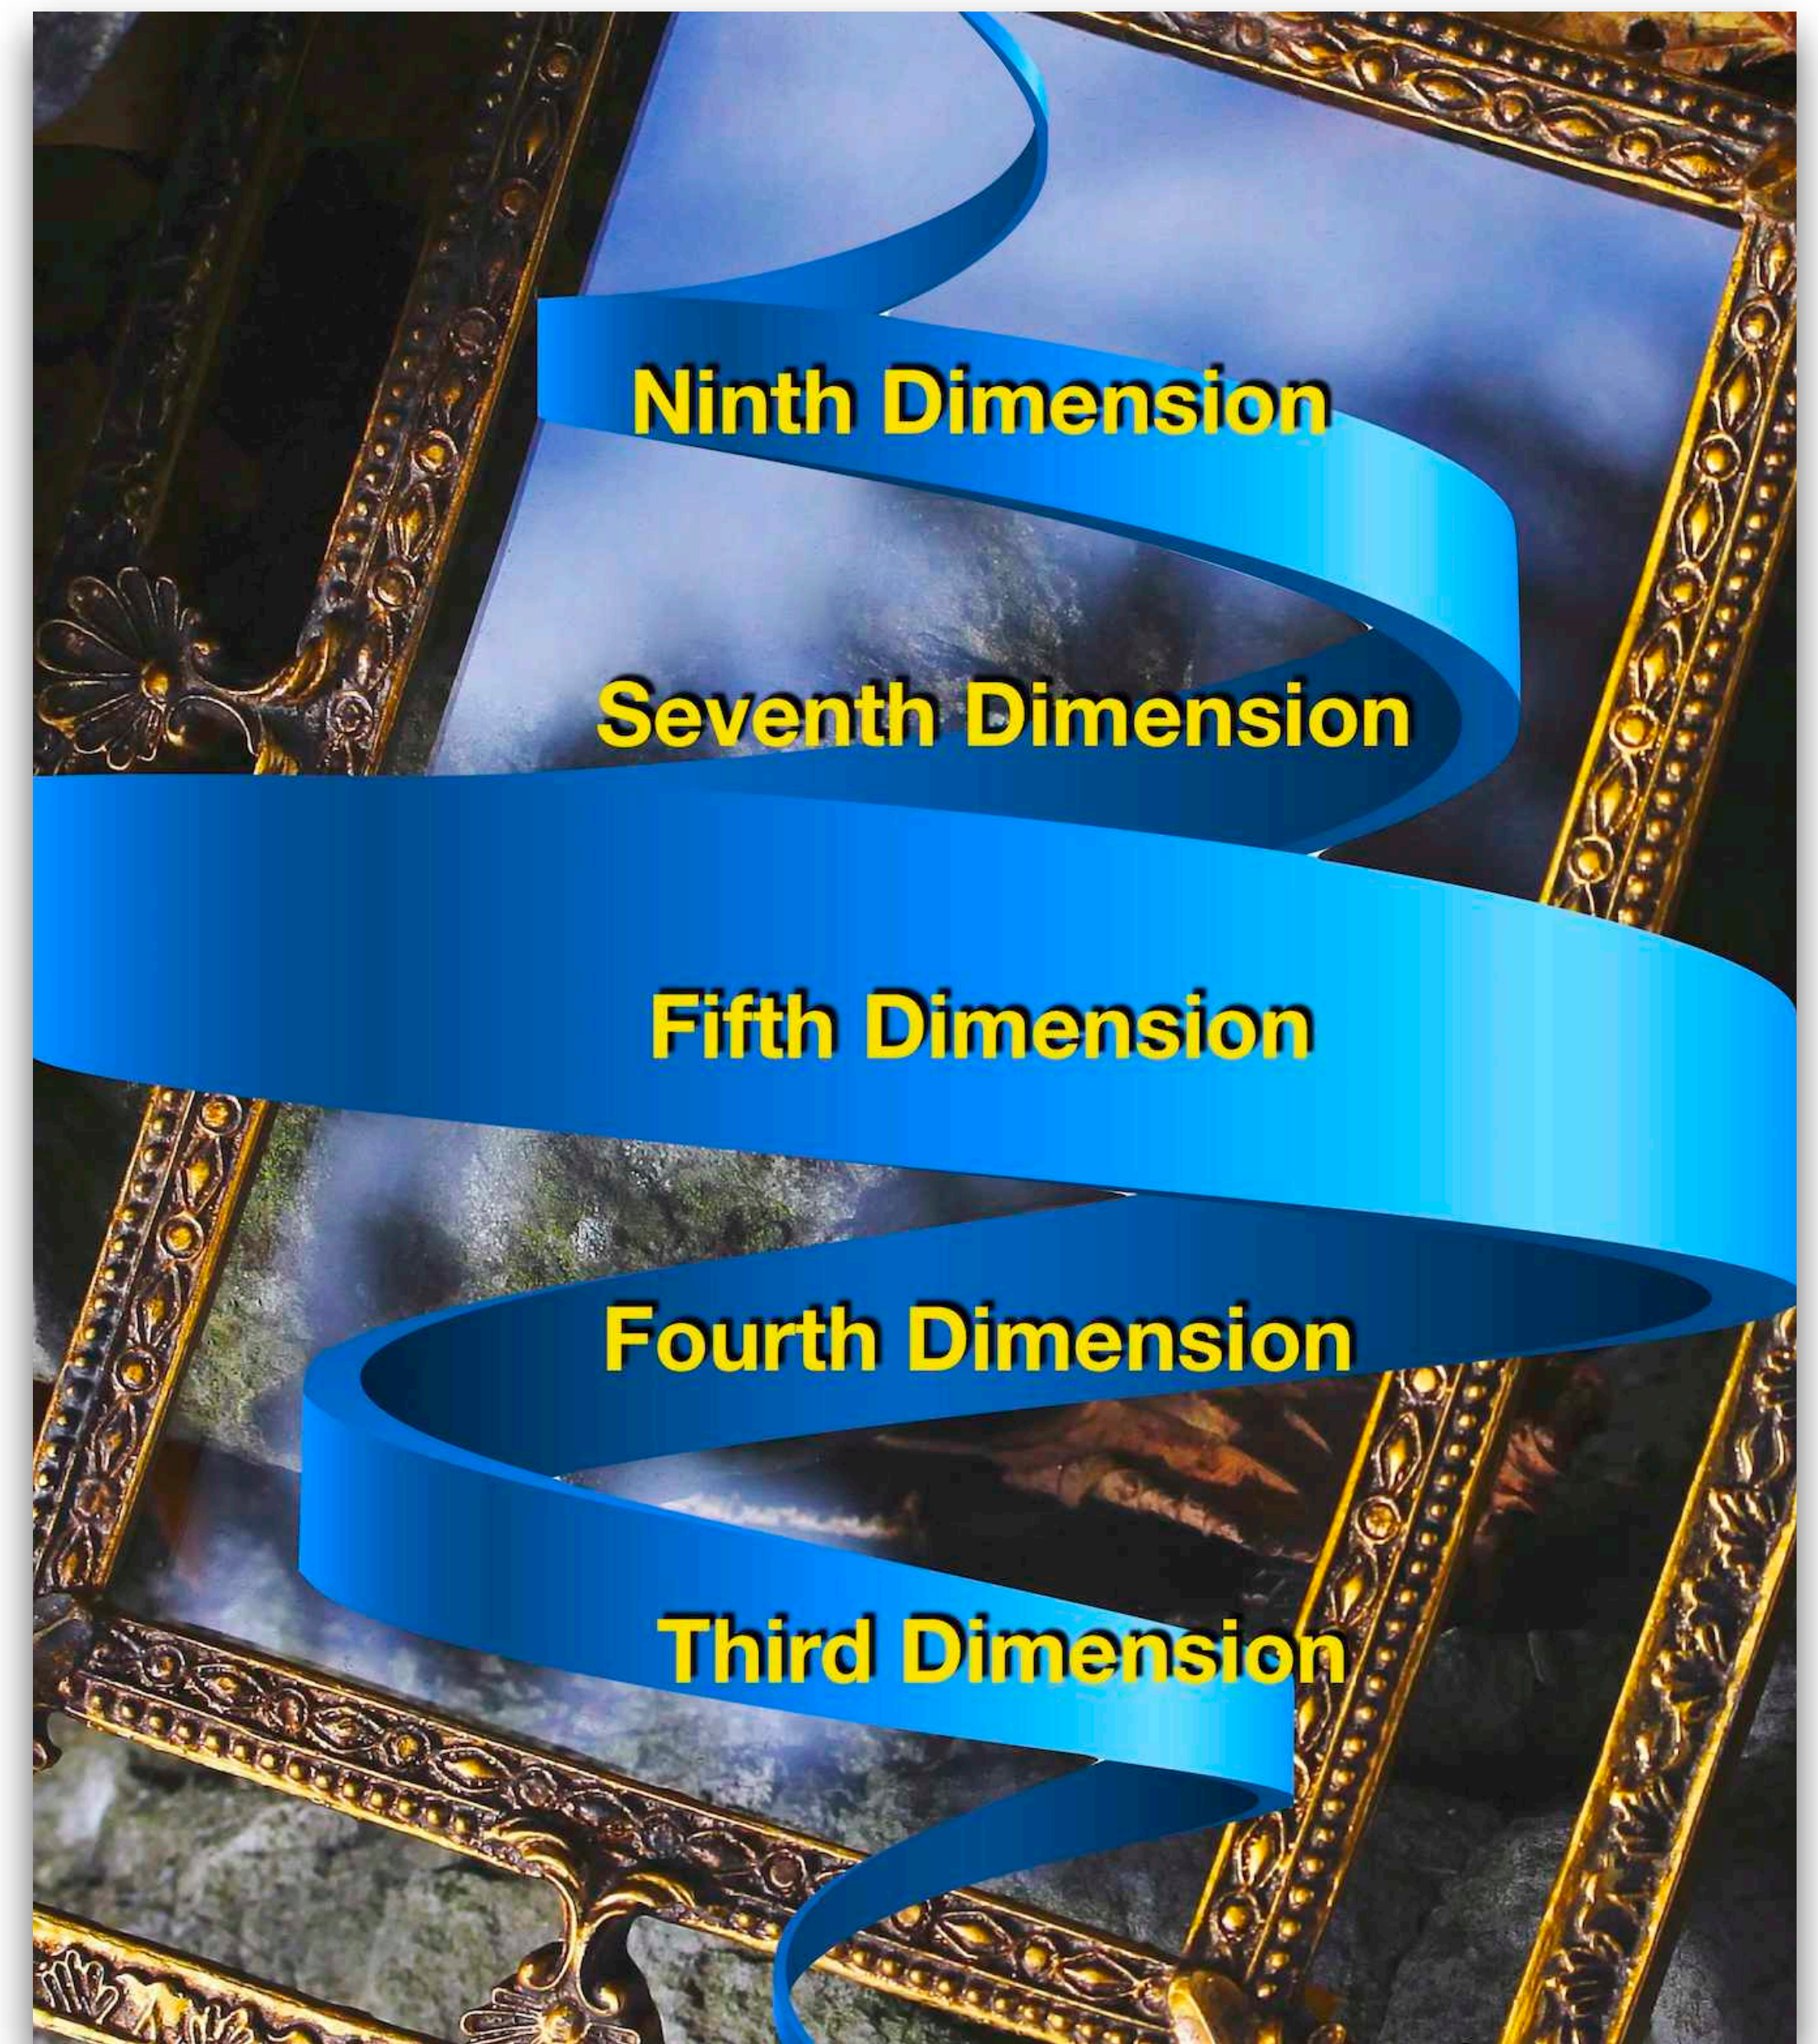

As this is an energetic attainment that activates greater multi-dimensional conscious awareness, it serves your highest experience to attend each journey LIVE...even if you find yourself in bed listening! Each journey will be recorded and you will be sent the video link for those times when you may not be with us live. However, these are sincerely up-leveling energy attunements best experienced live.

Please look for your journey materials with each weekly email containing your live link. Also please note that your journey materials will not always “look the same”!

Welcome Home to the Golden Ray dearest ones! Welcome Home to your Mastery Presence incarnate for the blessing of ALL and the activation of the Law of Instantaneous Manifestation.

We are honored to share this journey with you.

We highly encourage you to create YOUR Personal Book for your journey materials and experiences. This sacred connection with your journey will serve you well for many years ahead.
Be sure to place a copy of your Navigating the Inner Matrix course declaration as the first page as you open YOUR book.

Please make a note of the Golden Ray journey dates as shown here into your calendars now.

Place a picture of yourself that you LOVE on the inside cover. Also add the picture, or pictures, of those who spiritually inspire you or you feel a-lion-ed with.

Prior to each live journey, clear the space where you will be . Archangelic Crystalline Mist is optima. Try to avoid smoke based clearing. If you are a carrier of the tone, please call forward that gift and/or offer your own song into the space. Complete the process by lighting a white candle, *(tea light is OK)*, that will burn during the entire class.
